

The “Expansion and Ascension” Trio

A perfectly harmonized trio of singing bowls whose collective vibrations not only invite new and exciting possibilities, but also instill the courage and confidence to bring those possibilities into reality. In short, this is a beautiful expansion tool that helps chart new avenues of spiritual evolution and transformation.

Larimar, Platinum 10” (Tone B –45; Crown Chakra)

Swirling, long-lasting vibrations that resonate with Wisdom and Ascension are the hallmarks of this exceptional bowl. Larimar is a stone of serenity that provides a connection with the wisdom of Atlantis and the Ocean. It supports the release of negative emotions and unblocks emotional pain. The Tone B activates the Crown Chakra, aiding connection to higher realms. A nurturing bowl that promotes a spiritual and emotional upgrade.

Super Seven, White Light Aura Gold, 9” (Tone G# + 40; activates the Zeal Point Chakra)

The complex harmonics of this amazing bowl induce a binaural beat that stimulates a raising of Consciousness. Super Seven, composed of 7 different crystals, is a spiritual powerhouse, helping to align all chakras and promote a cleansing of our energy systems. The Tone G# activates the zeal point chakra at the head/spine junction. This may awaken elevated powers, expanding consciousness and more!

Anchi Alchemy 7” (Tone E–5: Solar Plexus Chakra)

An astonishingly beautiful bowl that sings confidently and smoothly... it is no surprise that the bowl vibrates to the tone of E, activating the Solar Plexus Chakra, our natural seat of courage, confidence, and self esteem. Anchi is an interesting alchemy... Anchi (Ancient Chi) crystals are over 1.6 billion years old, contain over 50 separate crystals and minerals, and are found in a single, secret location. They are thought to possess a unique geo-imprinting capability that rejuvenates our energetic systems and promotes enhanced health and wellbeing.

The “Good Life” Trio

A beautifully balanced trio that provides a harmonic symphony to align the Chakras and the entire energy systems of the body. The resulting enhanced Balance and Harmony sets the energetic backdrop for a significantly improved sense of wellbeing and the inescapable feeling that “Life is Good”.

Mother of Platinum Alchemy, 8” (Tone F + 30)

A lovely bowl that sings so sweetly and readily.... helps clear blockages that may be the cause of disharmony and emotional pain. Mother of Platinum is a natural fusion of clear quartz and platinum that embodies the spirit energy of Venus, Goddess of Love. At the same time, the tone of F supports and activates the Heart Chakra, gateway to Love and Joy. Quite simply, this is a bowl that encourages the undisputed healing powers of the Heart.

Rose Quartz, Platinum Alchemy 10” (Tone C +50 to support Heart Chakra)

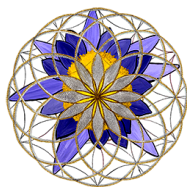

This elegant bowl sings with soft, reassuring vibrations that seem to say “I am your true, loving and loyal companion”. ... it consists of beautiful alchemies to align and refine the Heart Chakra, the natural gateway to Healing. Rose Quartz is the quintessential stone of Love and Joy, while the Tone C supports the Root Chakra and is highly grounding, promoting strong feelings of Safety and Stability. This really is a “feel good” bowl!

Chrysoprase Platinum Alchemy 7” (Tone A+40)

A lovely, smaller bowl that packs a powerful punch with vibrations that “pierce the veil”, helping to uncover deeper insights and truth. Chrysoprase supports the healing heart and counteracts the energies of depression and anxiety—it expresses the vibration of Divine Truth and is thought to help attract Love, Abundance and Prosperity. The Tone A supports the Third Eye Chakra, further adding enhanced Insight and Intuition to the bowl’s properties.

Heart-Centric Bowls

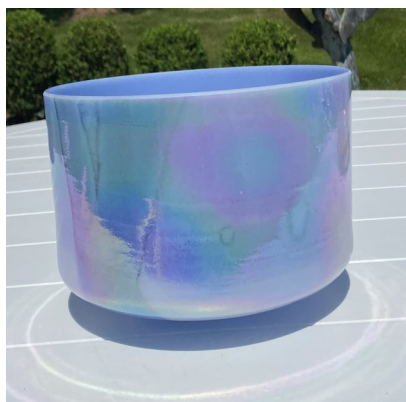

Shungite Alchemy 8" (Tone F—45 to support Heart Chakra)

The Heart Chakra awakening frequencies from this bowl are uplifting and pulsating, bringing Hope, Love and Joy to all who hear them. Meanwhile The alchemy of shungite is supremely grounding, clearing and purifying... it is often regarded as a miracle stone that counteracts all sources of negative energy, protects against EMF's, and assists cellular rejuvenation. The mix of Heart opening via the Tone F, and grounding/purification via the Shungite Alchemy produces a powerhouse combination.

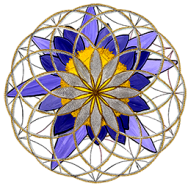

Morganite, Palladium Alchemy 9" (Tone F + 20 supports Heart Chakra)

A beautiful bowl which sings to the tone of F, supporting the Heart Chakra... our energetic center of Love and Joy. Morganite is a heart-centric alchemy that promotes Compassion, Unconditional Love, a deep sense of Oneness and a heightened emotional resilience. A true healing bowl that offers powerful Heart Chakra activation and allows us to hold the Love frequency with enhanced clarity!

Turquoise Platinum Alchemy 9" (Tone F –5 supports the Heart Chakra)

A truly exquisite and uplifting bowl whose F Tone snugly wraps us in soothing frequencies that open the Heart Chakra to Love and Joy. At the same time, Platinum brings in Divine Feminine energies that promote Balance, Grace and Harmony, while Turquoise is a talisman of protection, truth and intuition associated with Third Eye and Throat Chakras. Turquoise is thought to strengthen the body's meridians and subtle energy systems, and it benefits the overall mood and emotion by inducing a sense of serenity and peace.

Bowls for Grounding and More

Libyan Gold Tektite, Platinum Alchemy with Celestial Rings 10" (Tone C+ 15 to support Root Chakra)

OMG... an amazingly powerful bowl that is so responsive and delivers such booming, invincible frequencies their positive influence is quite staggering. Libyan Gold Tektite is related to Moldavite and other tektites, and is associated with meteor strikes. It was revered in Ancient Egypt as a stone of supernatural power, and can be used by Healers to protect against the crossover of a client's energy field to their own. The bowl resonates to the Tone C, activating the Root Chakra and providing an added sense of Safety, Stability and Grounding.

Moldavite, Platinum 9" (Tone C + 15; Root Chakra)

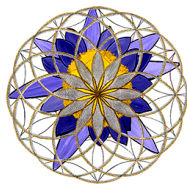

A bowl that sings with safety, sense and sensibility! Moldavite is a powerful agent of change and transformation, although the additional Platinum alchemy brings in Divine Feminine energies that soften the bowl's transformative power in a very beneficial way. The bowl resonates to the Tone C, activating the Root Chakra and providing an added sense of Safety, Stability and Grounding. This bowl is a great tool for those who need solid grounding, yet are also seeking safe, transformative change in their lives.

Shungite, Platinum Alchemy 7" (Tone A# + 45; supports the Pineal and Pituitary Glands)

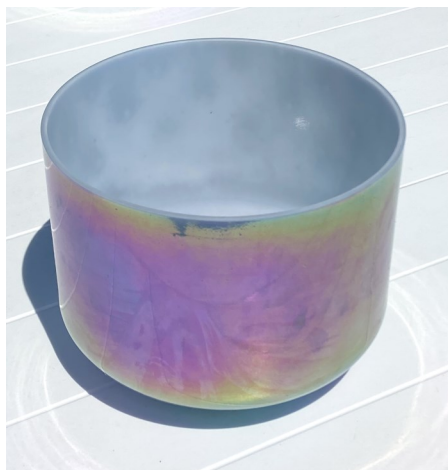

An interesting and delightful bowl whose searching, insistent frequencies seem to drive a quest for enhanced spiritual Awareness and Intuition. The Tone A# is perfect for those seeking a powerful aid to Pineal Meditation. In contrast to the higher chakra (Pineal Gland/3rd Eye) focus of the bowl's Tone A#, the Shungite alchemy is supremely grounding and highly effective in protecting against negative energies.
